## WELCOME TO OUR PRACTICE

Thank you for choosing Fair Oaks Women's Health for your ob/gyn medical care! In preparation for your upcoming appointment, we would like you to get a head start with some of the paperwork and also tell you a bit about our practice. Our services include comprehensive medical care for women of all ages, including well woman exams, contraception, STD testing, routine and high-risk prenatal care and delivery, bio-identical hormone therapy, menopause management, gynecologic and laparoscopic surgery (including robotic surgery) and more. We also have the MonaLisa Touch® vaginal laser used to successfully treat vaginal dryness and painful intercourse due to loss of estrogen from menopause.

### **Marina's Oasis Medi-Spa**

Marina's Oasis, our on-site medical aesthetics center, provides a wide range of non-invasive corrective services to enhance the health and appearance of your skin. For more information please call Marina Jick, MSN, FNP at 626-MY-OASIS (626-696-2747) or go to [www.marinasoasis.com](http://www.marinasoasis.com).

### **EMR (electronic medical record)**

Our practice uses a computerized health record, called an EMR. It takes time to enter your information into the computer. **It would be very helpful if you would complete your New Patient forms and then mail (or fax or e-mail) them to us before your appointment.** If you do not send these forms, your visit could be delayed while we update the computer before you see the doctor. Email your forms to: [obgyn@fowh.com](mailto:obgyn@fowh.com).

### **Please arrive early for your FIRST appointment**

It takes time to enter or update your personal, insurance and health information. At your first visit we scan your driver's license and insurance card for entry into our EMR. *We guarantee to keep all of your personal information private.* This is the law (a Federal law called HIPAA).

### **We charge for a "no-show"**

Please call us at least 24 hrs in advance if you are unable to keep your appointment. There is a \$25 charge for a no-show appointment (waived if you make and keep the next appointment). When you do not show up or call ahead to cancel, we have lost the chance to have another patient use that appointment time.

### **Parking – we do not validate**

Please note that you pay the cashier BEFORE returning to your car. To save money (but with a little more walking) some patients park in the Huntington Hospital EAST Parking structure, a building just south of ours. The entrance is off Fairmount Ave. across from the Emergency Dept.

### **Lab**

We have an on-site lab, called Primex. This is where most of our standard lab tests are run except pap smears and biopsies. It is your responsibility to know which lab your insurance is contracted with. **If your insurance requires you to use a different lab than mentioned above, please let us know.**

Feel free to call us at any time if you have any questions. Call (626) 304-2626.  
Thank you for trusting us with your medical care. We look forward to seeing you!

## **Explanation of Medical Billing**

For all medical services we provide, we will submit a claim to your Insurance Plan. It is extremely important that we have accurate information about your plan. After we receive the EOB (explanation of benefits form), we will determine the amount, if any, that you still owe. Your statements will reflect this amount.

**IMPORTANT!:** Is our group “in-network” or “out-of-network”? Is the lab we use for blood or urine or cultures or pap smears in or out of network? Is the imaging center we use for mammograms in or out of network? What about the Hospital (Huntington) or the Surgery Center? If our group, the lab, the imaging center, the hospital or the surgicenter is out of network, then covered benefits can be less or even zero, co-pays can be higher, and deductibles can be higher. You must check what your in-network and out-of-network benefits are. Sometimes there are no out-of-network benefits at all.

### **Introduction**

Medical insurance involves 3 common forms of payment to physicians. These are the **co-pay**, the **deductible** and the **co-insurance**.

### **The fee**

Medical billing is called fee-for-service. The doctor provides services, and for each service, there is a fee (or a charge). The amount you owe is usually less than the full fee due to fee-reduction contracts between the doctor and your health insurance company. Contrary to what many people believe, insurance does not “cover everything”.

### **The co-pay**

The co-pay is the amount of money that you owe up front for every doctor visit. Each insurance plan is different. The co-pay might vary in amount or there might be none. The co-pay needs to be paid in advance at the time of your visit. Some co-pays are as high as \$50.

### **The deductible**

Many patients have an annual deductible. This is money that the insurance company will determine is owed to the physician, but that the patient has to pay. When a balance due is applied to your deductible, you owe this money to the practice. *See the example below.*

### **The co-insurance**

This is the percentage of the fee that is owed to the practice based on your plan. The amount depends on what the insurance has approved for payment. You owe the co-insurance amount to the practice. *See the example below.*

### **Example using the above terms**

You go to the doctor for a problem. The visit **fee** is \$150. Your **co-pay** is \$10 and this is paid at the time of the visit. A claim is filed with your insurance company. They approve a payment of \$100.00, but you have a 20% **co-insurance**.

The \$100 is what your insurance has approved for the full payment for this visit. You have already paid \$10 of this as your co-pay so the insurance owes \$90. You have a **co-insurance** of 20%, so they will only pay 80% of the \$90. Thus, they will pay only \$72. Your co-insurance is \$18. So you have paid \$28 total (\$10 co-pay plus the 20% or \$18 co-insurance) and your insurance has paid \$72.

If you have an unmet **deductible**, the insurance will “apply” the entire \$90 to your deductible. In this case, you owe the full \$90 (but your deductible has been credited or reduced by \$90).

## Office and Financial Policies

We would like to thank you for choosing Fair Oaks Women's Health as your women's health care provider. This document explains our current office and financial policies. It is important that you read and agree to these policies.

**No-Shows:** If you cannot keep your scheduled Gyn appointment, please call our office at least 24 hours in advance to reschedule. This will allow us to offer that time to another patient. Failure to give 24 hours cancellation notice or failure to keep your scheduled appointment is a **no-show** and may result in a charge of \$25. This fee may be waived depending on your circumstances and will be waived if you make and keep your next appt.

**Late Arrivals:** You are expected to arrive on time for your scheduled appointments. New patients should plan to arrive 30 minutes early to allow for completing forms and updating your electronic medical record in the computer. If you are more than 15 minutes late, we may have to reschedule your appointment.

**Fair Oaks Women's Health accepts Cash, Personal Checks, MasterCard, Visa, American Express Cards and ATM debit cards as payment for services rendered.**

**Financial Responsibility:** Any patient over the age of 18, or an emancipated minor, will be held financially responsible for all charges incurred. For minors, the parent who accompanies the minor for their first visit will be financially responsible for all charges incurred.

**Insured Patients:** Please bring your insurance card with you to your appointment. If your insurance plan requires an office visit co-pay, this will be collected at the time of service. The co-pay cannot be waived by our office; it is a requirement placed on us by your insurance carrier. You are financially responsible for any co-insurance, deductible or non-covered service. If you are a member of a health plan that Fair Oaks Women's Health participates with, we will submit a claim to your insurance company on your behalf.

**Balance Due:** Once we have received payment along with an Explanation of Benefits (EOB) from your insurance plan, you will receive a statement from our office indicating what your insurance has paid. Any remaining balance will then be due and payable. Patients with large deductibles will be asked to pre-pay a portion of their known medical expenses (for example, pregnant or gyn surgery patients)

**Non Insured Patients:** Payment in full will be due at the time of service. If you are unable to pay your balance in full, you will need to make arrangements with our Office Manager.

**Medicare Patients:** You are personally responsible for your deductible, co-insurance and any services that Medicare deems as "Medically Unnecessary". Medicare patients may also be asked to sign an Advanced Beneficiary Notice (ABN) form as required by Medicare for certain services.

**Returned Checks:** A \$25 fee will be assessed for any check returned for insufficient funds. After that, only cash or credit cards will be accepted for payment.

**Disability Forms:** A \$20 fee will be charged for processing and mailing each disability form. These forms have become longer and more complicated and require a lot of administrative time to handle.

**Medical Records Request:** There is a \$30 fee for a medical records request. Payment for these records will be collected prior to records being released. A complimentary copy of your records will be sent to the physician of your choice. This fee can be waived for hardship, please speak to the office manager.

**Collection Accounts:** Fair Oaks Women's Health reserves the right to turn an account over to collections if it is deemed that the account is in default of payment or not in compliance with this policy. In the event you breach this agreement, you agree to pay all collections fees, including court costs, collections agency fees and attorney's fees incurred by us in enforcing the terms herein, whether or not formal legal proceedings are commenced.

**Financial Hardship:** We understand that sometimes it is a hardship to pay your medical bills timely. Please meet with our Office Manger so we can work out a payment plan. Ignoring medical bills is not advisable. Let us know your situation so we can work with you.

**Pharmacy Benefits:** Our electronic medical record allows us to download your prescription medication history directly into your electronic chart. This step allows us to have more accurate information about your medications (name off medicine, dosage) and saves us from having to enter your medications separately.

**Newborn Circumcisions:** Many insurance plans do not pay for newborn circumcisions. If the doctor performs a newborn circumcision and it is denied by your insurance, you will owe the complete fee.

**Primex Labs:** As a courtesy to our patients, we have arranged for a Primex Labs specimen collection center in our office. Fair Oaks Women's Health provides this as a service to our patients only. We are not affiliated with Primex Labs. They are a separate company and conduct separate billing for their services. You are free to use any lab that you want.

Some patients must go to other labs (for example Quest or LabCorp) due to their health insurance. Primex Labs is provided as a convenience for our patients, but it your responsibility to know if your health plan has a contract with Primex. There are hundreds of plans and contracts and their terms change over time, so it is not possible for us to know for certain if your plan has a contract with Primex. Many do, but some do not, and sometimes a contract might be active and then cancelled, which is unpredictable and frustrating for all of us.
