Pellet Fees

Pasadena Pellet Therapy offers a unique solution for women approaching and currently going through menopause. Bio-identical Hormone Pellets are safe, convenient, and the most effective hormone replacement available. *If you want to feel like you did before you were 40, and get your old self back, then Hormone Pellet Therapy is the answer!*

Our approach is the ideal solution for so many women who cannot find an answer to the many symptoms caused by depletion of hormones after age 40. This unique treatment is not messy gels, synthetic pills or nightly vaginal inserts. *Pellet therapy restores your body and soul back to normal!* It is so convenient that you only have to think about it 3 times a year!

A list of our services and the associated fees follows.

2011 FEES FOR BIO-IDENTICAL HORMONE PELLETT TREATMENT

Pellet insertion procedure (2011) \$ 300 per insertion
Includes insertion procedure, local anesthesia injection and follow up phone calls or emails (for any related problems). Normally less than 2-3 communications per insertion are necessary. Repeat insertion procedures are generally 2-4 times per year.

Pellet Fees \$ 35 to \$ 60 per pellet
estradiol pellets are \$35 each, testosterone pellets range from \$35 to \$60 each

DIM (diindolylmethane) Supplement \$ 25 per bottle
30 capsules, one to two capsules per day

PAYMENT IS DUE AT THE TIME OF PELLETT INSERTION

Please keep in mind that these fees do not include laboratory charges for any blood work, ultrasound fees or mammogram fees. You can try to submit a claim to your health insurance plan. We have letters of medical necessity and appeal letters if your health plan denies reimbursement for these services.
