

Dear OB Transfer Patient,

(This letter is for patients who live in China and plan to come here to deliver their baby.)

Thank you for coming to Fair Oaks Women's Health for the rest of your pregnancy and delivery of your baby. This letter is to help prepare you for the upcoming birth.

1. We require an advance payment of \$250 non-refundable deposit towards your obstetrical care. Please go to our web site to pay this online: <http://www.fowh.com/payonline.html>. After we receive this, we will send you an appointment confirmation e-mail.
2. Please send medical records to us using the e-mail address: obgyn@fowh.com.
3. When you come for your first appointment, please bring any medical records you can, even if they are in another language. We can arrange translation.
4. At your first visit here, make sure to meet with the office manager to review your expected fees. Her name is Mercedes (mercedes@fowh.com). We have a special program for patients paying cash. This includes medical care, ultrasounds and lab tests for a routine pregnancy and normal vaginal delivery at Huntington Hospital. There are additional costs if you need extra testing, develop pregnancy complications, have to go to the OB Emergency Room, or if the birth is done by a C-Section.
5. You will need to make a payment at the Hospital before you deliver. Please call Catherine Lee at (626) 397-8760 or email her at catherine.lee@huntingtonhospital.com. She works closely with Chinese-speaking patients and can help you with this part.
6. If you are planning to have a labor epidural, you may need to pay in advance for the anesthesia. We will help you arrange this.
7. Please note that in our group, Dr. Joanna Woo speaks fluent English, Mandarin and Taiwanese. She is a well-trained Board-Certified Ob/Gyn doctor.
8. After your baby is born, he/she will be under the care of a Pediatrician who works at Huntington Hospital. The following Pediatric Doctor works at Huntington Hospital and speaks Mandarin:
