

WELCOME TO OUR PRACTICE (for OB Transfer Patients)

Thank you for choosing Fair Oaks Women's Health for your prenatal care and delivery of your baby.

In preparation for your upcoming appointment, we would like you to get a head start with some of the paperwork and also tell you a bit about our practice. Our services include comprehensive medical care for women of all ages, including well woman exams, contraception, STD testing, routine and high-risk prenatal care and delivery, bio-identical hormone therapy, menopause management, gynecologic and laparoscopic surgery (including robotic surgery) and more.

Marina's Oasis Medi-Spa

Marina's Oasis, our medical aesthetics center, provides a wide range of non-invasive corrective services to enhance the health and appearance of your skin. For more information call Marina Jick, MSN, FNP at 626-MY-OASIS (626-696-2747) or go to www.marinasoasis.com.

EMR (electronic medical record)

Our practice uses a computerized health record, called an EMR. It takes time to enter your information into the computer. **It would be very helpful if you would complete your New Patient forms and then mail (or fax or e-mail) them to us before your appointment.** If you do not send these forms, your visit could be delayed while we update the computer before you see the doctor. Email your forms to: obgyn@fowh.com.

Please arrive early for your FIRST appointment

It takes time to enter or update your personal, insurance and health information. At your first visit we scan your driver's license and insurance card for entry into our EMR. *We guarantee to keep all of your personal information private.* This is the law (a Federal law called HIPPA).

Parking – we do not validate

Please note that you pay the cashier BEFORE returning to your car. To save money (but with a little more walking) some patients park in the Huntington Hospital EAST Parking structure, a building just south of ours. The entrance is off Fairmount Ave. across from the Emergency Dept.

Lab

We have an on-site lab, called Primex. This is where most of our standard lab tests are run except pap smears and biopsies. It is your responsibility to know which lab your insurance is contracted with. **If your insurance requires you to use a different lab than mentioned above, please let us know.**

Cash Patients

We have a special package for pregnant patients who transfer care to us and plan to pay cash for their services. One fee includes routine prenatal care and delivery, routine ultrasounds, normal OB lab tests, and necessary vaccines. There are extra fees for C-section, circumcision, and high-risk pregnancy. None of our fees cover any of the costs for services provided at the Hospital other than our fee for a normal vaginal delivery .

Feel free to call us if you have any questions. Call (626) 304-2626.

Thank you for trusting us with your medical care. We look forward to seeing you!
